Operating System	Windows

Test case details

Test Case Name	TestTc08DataComparison
Test Case Description	CSV to CSV Comparison
Time Zone	India Standard Time
Start Time of the Test	31-01-2024 16:43:24
End Time of the Test	31-01-2024 16:43:29
Executed by	rd253248
Executed on	IBMWL21L00624
Overall Status	PASSED

Step description : Verify if data is extracted from: Neo4j

Proving step	YES
Expected result	Neo4j Query should be executed successfully and data is extracted to csv file
Actual result	Neo4j Query was executed successfully and data is extracted to csv file : Neodata.csv
Step Status	PASSED
Execution Timestamp	31-01-2024 16:43:29
