

# Test Case Execution Report

## Avengers

### Test Properties

Automation Framework	Torchbearer Python Pytest Framework (V4.0.22)
Technology used	Selenium 4.11.2 (UI), Requests 2.31.0 (API)
Browser	-
URL	-
Operating System	Windows

### Test case details

Test Case Name	TestTc08DataComparison
Test Case Description	CSV to CSV Comparison
Time Zone	India Standard Time
Start Time of the Test	05-02-2024 21:10:48
End Time of the Test	05-02-2024 21:12:08
Executed by	rd253248
Executed on	IBMWL21L00624
Overall Status	<b>FAILED</b>

Step description : Verify if data is extracted from: Neo4j

<b>Proving step</b>	YES
<b>Expected result</b>	Neo4j Query should be executed successfully and data is extracted to csv file
<b>Actual result</b>	Neo4j Query was executed successfully and data is extracted to csv file : Neodata.csv.csv
<b>Step Status</b>	<b>PASSED</b>
<b>Execution Timestamp</b>	05-02-2024 21:10:55
